Coated Abrasives

CCI offers you more, because we believe in value. Unlike most of our competitors we offer premium products with both cloth and paper backings.

Our tear resistant premium cloth backed abrasives cut fast, significantly outlast paper, and are easy to cut and install. Plus, they protect drums and back-up pads from potentially damaging nail strikes much better than paper. That means you save time and money. We've made premium cloth backed abrasives affordable, so the savings start right away!
